# SECRETARY-GENERAL LETTER

## DEAREST DELEGATES, ADVISORS, CHAPERONES, & PARENTS,

It is an honor to welcome you all to PACMUN 2019.

Only six years after our first conference, PACMUN 2019 is proud to be hosting our very first three-day conference, the first of its kind in the Seattle area. This November, over 600 delegates, will have the opportunity to participate in more than 17 uniquely-crafted committees, overseen by 60 talented staff members, led by a team of 13 Secretariat members, for an exhilarating weekend in downtown Seattle.

As PACMUN 2019's Secretary-General, I am committed to ensuring that PACMUN 2019 is a wonderful and unforgettable experience for all. The impact of Model United Nations extends much farther than just the opportunity to attend committee sessions. Delegates learn how to effectively communicate and collaborate, become leaders, and most importantly, join the global dialogue on topics that have historically and currently shape the world we live in today. Model United Nations is one-of-a-kind in that aspect; it is truly inspiring to see how it brings students together, from many diverse backgrounds, through a shared passion to create positive change and find solutions to today's problems.

As Model United Nations is incredibly unique and rewarding, PACMUN strives to make the delegate experience as accessible as possible. As listed on our registration page, our delegate fee covers a two-night stay at the Sheraton Grand Seattle, all delegate materials, and the highest-caliber committee experience.

Conference registration will open near the end of August. If you have any questions, comments, concerns, PACMUN-related or not, please do not hesitate to reach me at [sg@pacificmun.com](mailto:sg@pacificmun.com)!

**YOURS ALWAYS,**

# OUR CONFERENCE

## WHAT IS MUN?

Model United Nations (MUN) is an academic simulation of the United Nations. Students participate in active debates on pressing world issues, and enhance their understanding of diplomacy, the nuances of international relations, and foster leadership skills.

## WHAT IS PACMUN?

Pacific Model United Nations Seattle (PACMUN Seattle) is an annual student-run conference and hosted in Washington State, United States of America. PACMUN 2019 will occur on November 22nd - November 24th 2019, at the Sheraton Grand Seattle hotel.

As a registered non-profit organization, PACMUN's mission is to spread awareness of the United Nations, to motivate students to become more actively involved in local and global affairs, and to inspire students to change the world. PACMUN was founded to empower student leaders in the community. PACMUN started as a collaborative effort between delegates from Tacoma, Kent, Bellevue, Issaquah, and Seattle.

PACMUN began as a student-run conference in 2014. The idea was conceived by seven extraordinary students to make a universally accessible MUN conference to all students in the Pacific Northwest. PACMUN is the first student-run conference in Washington State, and since its inaugural year, it became the largest conference in the state. Since then, with the leadership of new Secretariats and the guidance from years past, our conference has grown to nurture the minds of more than 700 young people each year.
